

## **PRESS RELEASE**

SILO (Rapid loading System) at Bharatpur, which was damaged due to fire was made operational from 6:00 pm of 04.01.2010 after changing the one set of conveyor belt out of the two damaged at a cost of Rs 2.50 lacs thereby restoring normal supply of coal to Nalco. During the mishap period, supply to Nalco was approximately 13000 Metric Tonnes per day which is as per the Annual Contract Quantity.

The 2<sup>nd</sup> stand by belt will also be replaced by 9<sup>th</sup> January 2010.
